VOL. 10, NO. 209 MONESSEN, PA., FRIDAY, FEBRUARY 9, 1912 SIX CENTS THE WEEK

SOCIAL DOIN'S OF THE HOUR IN MONESSEN

After their regular weekly lodge meeting the Elks entertained about twenty guests and many out of town members at their rooms in the People's Bank building. There were members of the order present from all along the Valley and large delegations were present from Charleroi and Donora. Special music was furnished by an orchestra composed of members and the evenings entertainment was thoroughly enjoyed by all present.

Mrs. Carl Bolig last night entertained the First street Hill "500" Club at her home, 29 First street. Eight tables were used and aside from the regular membership, the guests were Miss Kingsley, Mr. W. R. Motz and Mr. and Mrs. Roland Preston. The luncheon served by Mrs. Bolig was of her own inimitable style, and was enjoyed to the fullest degree by the guests.

Mrs. Charles Allen of First street entertained the Blossom Club at her home on Wednesday evening and the members were all most highly pleased with the entertainment received at the hands of their most amiable hostess. "500" was the feature diversion, yet many other little incidental amusements were intermingled throughout the evening which added much to the pleasantries. A most charming luncheon was arranged for the guests in that very able manner peculiar to Mrs. Allen, and every one, of course did ample justice to the dainty spread set before them. The first gentleman's prize went to Mr. Helzlsouer, 2d to Mr. Hunter and third to Mr. Brazee. The ladies awards were as follows: Mrs. Joe Weber 1st. Mrs. Hunter 2d, and Mrs. O'Rourke carried off the booby.

About eighty-five couples assembled in the new Might hall Charleroi, last night in response to invitations sent out by the Winter club, a committee of young men of that place. A number of Monessen young people were present and enjoyed the affair. In addition to the dancing program the Colonial quartette rendered several selections during a brief intermission and this feature was much appreciated by the guests. A dance will be held by the club every Thursday evening at the same place and there will be special features every evening in the form of music, which will add greatly to the enjoyment of the affair. The young men who compose the committee are doing everything possible to entertain their guests.

This winter has not only brought many opportunities for those who so desire, to skate, but the Monessen police records show that quite a few of our male sex failed to make the proper distinction and got a "skate on" instead.

If church members who possess good vocal powers would be willing to contribute of their talent to the services, without pay, there would not be so many empty pews in the places of worship.

A man in Pittsburgh was recently fined five dollars for sleeping in prayer meeting. A gross mis-carriage of justice, that. The preacher who conducted the meeting so slow that any man could sleep, should have been the one relieved of the five.

It is reported that a former Monessen news paper man has taken unto himself a wife—Gee! where on earth did he get enough money to pay the preacher?

Charles Morse, the embezzling banker, recently released from the penitentiary at Leavenworth, Kansas, on account of failing health, has recovered with remarkable rapidity. He's now well and will go to Germany soon. The "sick" bluff sure did work to perfection in that case.

In our markets and stores we can buy butterine, silverine, silkine and satine. Won't some one with a fairs zed knowledge bump kindly invent eggine?

After reading the public statement of this fellow-sufferer given below, you must come to this conclusion: "A remedy which cured years ago, which has kept the kidneys in good health since, can be relied upon to perform the same work in other cases. Read this:

John H. Hixenbaugh, 108 Wood street, Belle Vernon, Pa., says: "I suffered from kidney trouble for three years. My back became lame and sore and it was necessary for me to give up my work. I finally learned of Doan's Kidney Pills and procuring a supply, I began their use. The contents of four boxes effected a complete cure." (Statement given September 3, 1909.)

A LASTING EFFECT

On Nov. 12, 1909, Mr. Hixenbaugh, said: "I do not hesitate to confirm the statement I gave for publication in favor of Doan's Kidney Pills two years ago. The cure they effected in my case was practically permanent, but I have used Doan's Kidney Pills on several occasions since then, finding that they keep my kidneys in good working order."

Good Market for Pianos.

There is probably no country in the world where pianos are more used in proportion to population, and considered more necessary as features of home life, than in Australia. No matter how humble the home or how remote it may be from large cities, a piano is usually a leading feature of it. About 15,000 pianos are sold every year in the country.

Monkeys and Gum.

In tropical countries the natives have many unique ways of catching monkeys One of them, as explained by a traveler, is this The hunters walk about in short boots in sight of the monkeys. Then they take the boots off, place some gum in the boots an' leave them on the ground, withdrawing themselves to a great distance. Presently the monkeys come down from the trees and try on the boots and when the hunters come after them the boots stick to the feet of the monkeys and they are unable to climb Thus the imitative little animals are captured

A BALD-HEADED WOMAN

Shorn of Her Crown of Beauty, Loses in Love and Marriage

Hair is certainly most necessary to woman. Who could love and marry a bald headed woman? What charms could one array to offset such a disfigurement?

A woman's goal is usually love and marriage. Her crowning glory is her hair. The loss of her hair mars her beauty, happiness, and success. Yet, right here in Monessen there are thousands of woman who are neglecting or injuring their hair to such an extent that it is only a matter of time when it will be utterly ruined.

Many woman destroyed the beauty of their hair through thoughtlessness or ignorance of certain facts They use curling irons over-heated, or to excess, which destroys the natural oil of the hair, causing it to split, break, and come out. They do not shampoo their hair often enough, or too often. They use soaps or preparations which contain ingredients positively harmful to the scalp and hair. As a result of such treatment, dandruff is created the hair loosens, sole color, falls out, and baldness commences, unless proper and prompt precautions are taken in time. Then again, microbes and certain diseases bring about unhealthy scalp and hair conditions.

Almost any woman may rid herself of dandruff and diseased scalp and hair if she will but use the right remedy. We have that remedy, and we will positively guarantee that it will either cure dandruff and baldness or it will not cost the user anything.

That's a pretty broad statement, but we will back it and prove it with our own money. We will return your money if you do not find that Rexall "93" Hair Tonic is an entirely satisfactory remedy that will promote hair growth and overcome scalp and hair troubles, that it will grow hair even on bald heads, unless all life in the hair roots has been extinguished, the follicles closed, and the scalp is glazed and shiny. It gets its name from the fact that it grew hair in 93 out of 100 cases, where it received a thoroughly hard, impartial, and practical test.

We want you to try Rexall "93" Hair Tonic at our risk. You surely cannot lose anything by doing so, while you have everything to gain. You had better think this over, and then come in and see us about this offer. You will be well repaid for your visit to our store. Remember, you can get Rexall Remedies in this community only at our store—The Rexall Store. Craigs' Drug Store.

THE JOKE WAS ON THE DOCTOR

Dr. M. H. Day of Donora, who was in town Wednesday evening to attend the meeting of the B. P. O. E., was arrested at the instigation of John Conroy and taken to the borough jail on a charge of violating the state law, in regard to the display of the auto license tags. He has had his 1912 license for some time and it reposes beneath the seat cushions. It seems the M. D. is a pretty busy man and is so pushed through the day that he had not time to attend to the adjustment of his new license on the machine and in the evening when his mind is relieved of the business cares he never happens to think of it. This is the rather lame story he put up at the hearing and after a short parley he was ordered to put up a $15 forfeit for his appearance later It is said that some interesting developments will come out at the hearing which may be held this evening. If possible a law will be found to punish those who carry their auto tags under the seat cushions and leave their lights burning low in cold weather. The whole matter was a joke and the doctors and his friends thoroughly enjoyed it.
